Basingstoke College of Technology, located in North Hampshire, is a leading and well respected further education provider. The college prides itself on its excellent links with business and the success of its learners in securing positive destinations.

Basingstoke is an expanding town with a thriving economy and excellent transport links. The college was rated 'good with outstanding features' in May 2016 by Ofsted and is committed to becoming an 'outstanding' provider. Our financial health has consistently been rated 'outstanding' over the last 10 years by the Skills Funding Agency.

BCoT is a significant provider of apprenticeships, the achievement rates of our apprentices are significantly above the sector average and we have set ambitious growth targets up to 2020.

We are looking for a self-motivated, organised individual with excellent communication skills to support, via assessment, the training on a range of programmes in plumbing and gas. The successful candidate will ensure that all assessments and associated tracking and monitoring activities are undertaken and meet college and Awarding Body criteria.

A strong communicator with a flexible approach, you will have a broad knowledge of Apprenticeships and NVQ's, frameworks and delivery methods, and their benefits to both employers and potential candidates.

The ideal candidate will have previous experience of working within the plumbing/gas industry. Experience of assessing and delivering NVQ and apprenticeship programmes is essential. Successful candidates must hold an Assessor Award qualification, a Level 3 qualification in plumbing/gas and an internal verifier award.

BCoT is an equal opportunities employer. We welcome enquiries from everyone and value diversity in our workforce.

Applications will be considered as they are received. Interviews for suitable candidates will be arranged before the scheduled closing date so please do not delay in applying.

Safeguarding Statement:

BCoT is committed to safeguarding and promoting the welfare of all its learners, and expects all staff to share this commitment. The successful applicant will be required to undertake appropriate checks, including an enhanced DBS disclosure (payable by the candidate) as well as providing proof of the right to work in the UK.
