Construction Department

Course Director - Construction Crafts

37 hours per week, 52 weeks per year

(Full time hours: Monday – Thursday 08:30 – 5pm, Friday 08:30 – 4.30pm)

£33,927 to £41,041 per annum

We are currently recruiting for a Course Director to lead on Construction (carpentry) courses within the college.

The successful candidate will be primarily teaching across a range of courses within Construction Crafts mainly carpentry and Bench Joinery. In addition, you will be required to complete on-site assessments of student competence for Level 2 and 3 Apprenticeship. Ability to deliver across another related trade area would be an advantage although not essential.

You will need to be a highly motivated team player and have the skills, drive and enthusiasm to deliver and maintain the highest standards on the courses. The successful candidate will need to have a high level of knowledge and good experience of their trade, along with an advanced Carpentry or Bench Joinery Level 3 qualification.

A minimum of 2 years teaching experience up to and including Level 3 is required. You will be committed to developing learners' skills and technical understanding. A teaching qualification and Assessors Award along with experience of Curriculum management and development within a FE environment are essential.

Applications are considered as and when they are received. Interviews for suitable candidates will be arranged before the scheduled closing date so please do not delay in applying.
